Build! Crash! Fly! Play! Learn! Watch! Race!

April Annihilation Combat Robot Competition – Fairyweight, 1 & 3 lb. robots battle it out

Get to know WarrenUAS:

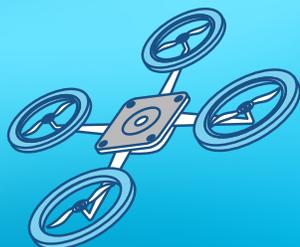

- Meet SPOT the robot "dog".
- Watch a live ag-spray drone demo showcasing cutting-edge technology for precision application and modern farm operations.
- Learn about the new Counter UAS program coming in September.

Visit the new "BUILD!" area and let your child create as they learn. Children (ages 10-14) can build their own glider with Da Vinci Science Center Mobile Fab Lab (Space limited, pre-registration recommended)

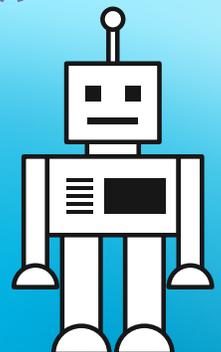

Explore at Fascination Place children's activity area

Local FRC Robots – Teams show off their robots
