With his T-Mobile Unlimited Text & Data Plan

FGM, who is very sensitive about his weight, weighs in at this many pounds.

14 pounds (fat chance 🤔)

475 pounds

No scale can weigh him without breaking.

What is FGM's, most favorite place to visit in New Jersey and why?

Warren County - because he can blend in with the corn, grass and all the other wonderful agriculture they have here.

Warren Community College - because they have a lot of drones and he can talk about flying to people.

Belvidere Court House - because it was built in 1986, when Warren County was just 1 year old. He knows Warren County has a big 200th birthday coming up and likes birthday cake... a lot.

All of the above.
