Build! Crash! Fly! Play! Learn! Watch! Race!

April Annihilation Combat Robot Bout – Fairyweight, 1lb Antweight, 1 lb Plastic Antweight & 3lb Beetleweight robots battle it out

Get to know WarrenUAS:

- Meet SPOT the robot “dog”.
- Watch a live ag-spray drone demo showcasing cutting-edge technology for precision application and modern farm operations.
- Learn about the new Counter UAS program coming in September.

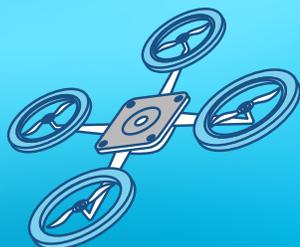

Visit the new “BUILD!” area and let your child create as they learn. Children (ages 10-14) can build their own glider with Da Vinci Science Center Mobile Fab Lab (Space limited, pre-registration recommended)

Explore at Fascination Place children’s activity area

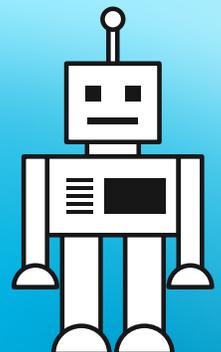

Local FRC Robots – Teams show off their robots

Learn about hot air balloons with RE/MAX. Hop in the “Gondola For All” (ADA accessible) for a photo op.

For more information email fly@balloonfestnj.com

Get an education on the nationally acclaimed drone and robotics program at the College.
