Hours: 11:00 - 5:00 pm - Check BALLOONFESTNJ.COM for schedule.

Free Admission - Donations Accepted

Build! Crash! Fly! Play! Learn! Watch! Race!

April Annihilation Combat Robot Bout – Fairyweight, 1lb Antweight, 1 lb Plastic Antweight & 3lb Beetleweight robots battle it out

Get to know WarrenUAS:

- Meet SPOT the robot “dog”.
- Watch a live ag-spray drone demo showcasing cutting-edge technology for precision application and modern farm operations.
- Learn about the new Counter UAS program coming in September.

Check out Warren Tech’s very own robots and drones that participated in SkillsUSA. You can even test drive the robot!

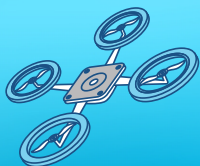

Explore at Fascination Place children’s activity area

Visit the new “BUILD!” area and let your child create as they learn.

Children (ages 10-14) can build their own glider with Da Vinci Science Center Mobile Fab Lab (Space limited, pre-registration recommended)

Local FRC Robots – Teams show off their robots

Learn about hot air balloons with RE/MAX. Hop in the “Gondola For All” (ADA accessible) for a photo op.

For more information visit balloonfestnj.com
or email fly@balloonfestnj.com.

Get an education on the nationally acclaimed drone and robotics program at the College.
